

Land Access

Land access is a huge hurdle for beginning farmers to clear. This chapter compiles resources from multiple organizations - including Land For Good, Farmland Access Hub and Practical Farmers of Iowa - to help beginning farmers get started with their land access journey.

Land for Good

- Acquiring Land to Farm: Where to Get Started
- How to Find, Assess and Secure Farmland
- Farm Access Methods Guide
- Farm Access Decision Tool
- Accessing Farmland Together
- Necessary, Desirable, Optional Worksheet

Farmland Access Hub

- Farmland Access Navigators

Practical Farmers of Iowa

- Land Access 127: Easy Steps to Finding Farmland
- Building Relationships To Access Land
- Tools for Accessing Land From the 2021 Virtual Annual Conference
- Trusts: Keep the Family a Family and the Farm a Farm
- Land Access: Leases to Support Conservation and Beginning Farmers
- USDA Getting Started Packet
