

## Finding Your Farm - Worksheet

This worksheet will help you identify and sort priorities among all the factors you are considering in your farm search. For each category on the left, list what is necessary, desirable, or optional. *Is it necessary to own your land? Does the property have to be in a certain location? Must you live on-site, or is living nearby an option? Do you need a barn, or could you do without?*

	Necessary	Desirable	Optional
<b>Tenure</b> <i>(own? lease?)</i>			
<b>Location</b>			
<b>Natural features</b>			
<b>Built features</b>			
<b>Housing</b>			
<b>Community</b>			
<b>Other</b>
