Module

## 04. Seed Sovereignty and Garden Design

Module Progress: 

Background Material

Seeds

The following readings are *optional*. However, we encourage you to review at least one reading from the following two sections on organic seed and seed sovereignty. The readings come from leading seed organizations: Johnny's Selected Seeds, the Organic Seed Alliance, La Vía Campesina, and GRAIN.

Organic Seeds and Variety Protections

[Johnny's Selected Seeds \(2013\) Understanding Utility Patents and Plant Variety Protection](#)

OSA (2016) State of Organic Seed

## Seed Sovereignty

LVC / GRAIN (2015) Seed Laws that Criminalize Farmers

LVC (2013) Our Seeds, Our Future

**Seeds of Sovereignty**

from **The Gaia Foundation**

## French Intensive (aka Biointensive) Gardening

French Intensive Gardening

## CASFS Soil Health, Tillage, and Cultivation Primer

## How to Double Dig a Vegetable Bed

from [Jim Clark](#)

## Transplanting and Direct Seeding

## CASFS Seeding and Transplanting Primer

### Reflection Questions

04. Seed Sovereignty and Garden Design
